NOVELLA** Violet Ryan loves the delicious food she gets to eat on the reality shows she produces for The Food Channel. What she hates is her expanding waistline. Determined to drop the pounds, Violet hatches a plan to kick start a fitness regimen. But when her determination isn't enough to get her through even one intense group class without breaking down into tears, she knows she needs a new approach and possibly a new trainer—one with a lighter touch. Grant Gibson has always managed to mix business with pleasure, but now this trainer by day, and Dominant by night, is bored. Bored and lonely. Even though he owns one of L.A.'s hottest private gyms, his personal life is sorely lacking. After his last submissive tried to kidnap his dog and the contents of his bank account, he's in no hurry to take a new lover under his wing. Not until the voluptuous Violet falls into his lap. She may be wary of his unorthodox approach of using sexual gratification as a reward, but even before her initial weigh-in Violet can't seem to stay away from the sexy fitness god. She may have to let Grant show her there's more than one way to get in shape...
