Fountain Pens of the World Andreas Lambrou

The authoritative and comprehensive text features countries not previously covered in other books, a new chapter on limited editions, and a chapter on materials from 1833 to the present day which defines processes such as lacquering, guilloche engraving and plastic identification. The development of design and logos is illustrated by specially produced line drawings. The text is complimented by many period advertisements.

Fountain Pens of the World provides more information on pens and illustrates more pens than any other book on the subject.
