#relationshipgoals A hashtag loosely thrown around, identifying those perfect qualities for the ideal relationship model. Symbolizing the great times with little—if any—emphasis on the devastating times. What about the nervousness and unsure moments? How about the fallen in and out of love? And what do you do when lust blinds and your feet stumble to find the next best step for you and the relationship? Like. Love. Lust. is an emotional revelation from DNC that breathes truth into the other side of #relationshipgoals – the real journey. The poetic passion-fy story line told through prose, sonnets, narratives and long-form stanzas, speak to the corruscent diamond of discovering each emotion, and battle with the complexities of their natural course, also known as human nature. Enjoy a new take on #relationshipgoals where you are free to like instinctively, love differently and lust indefinitely. #likelovelus
