The Sky People: Ancient Aliens and the Supernatural Brinsley Le Poer Trench

Saucerian Press presents an astounding and scholarly classic from the former editor of Europe's top UFO magazine, "Flying Saucer Review." Inside "The Sky People: Ancient Aliens and the Supernatural" you will find proof that visitors from other planets exist, and have visited Earth since ancient times.

You will be shocked to learn that:

- Apollo and other Greek gods were actually visitors from outer space
- The Garden of Eden may have been on another planet
- Virgin births can be attributed to extraterrestrial beings
- Visitors from other galaxies and dimensions are working together to save Earth

What is the significance of the cross, and who was the Serpent of the Bible? Could the Serpent have represented wisdom to ancient man, rather than evil? Did the gods punish us for wanting knowledge? Are the ETs helping us, or hindering us as a species? What ties all of the world's religions together?

Find the answers to these questions and more in this book, which goes beyond the theories of Zecharia Sitchin and Erich von Daniken: Brinsley Le Poer Trench's "The Sky People."

"The Sky People' takes off where 'Chariots of the Gods' runs out of gas..." –Hampton Roads Press
