#### **Elizabeth Branch:**

In this era globalization it is important to someone to acquire information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information quicker to share. You can find a lot of referrals to get information example: internet, newspaper, book, and soon. You can see that now, a lot of publisher this print many kinds of book. The actual book that recommended to you is Burning the Candle this publication consist a lot of the information of the condition of this world now. This specific book was represented how can the world has grown up. The words styles that writer use to explain it is easy to understand. Often the writer made some study when he makes this book. Honestly, that is why this book appropriate all of you.

#### **Scott Burnett:**

Many people spending their time frame by playing outside together with friends, fun activity using family or just watching TV the whole day. You can have new activity to spend your whole day by reading a book. Ugh, you think reading a book can really hard because you have to bring the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Cell phone. Like Burning the Candle which is getting the e-book version. So , try out this book? Let's see.

#### **Rex Vogler:**

As a scholar exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Burning the Candle can make you truly feel more interested to read.
