Off the ice and into the FIRE...

– LIAM –

Hometown boy makes good. High school hero becomes NHL star. All of my dreams came true. So why don't I feel happy?

I'm on the road a lot, with a new groupie in my bed at a different luxury hotel every night. But all I can think about is my sister's best friend, Maddie. She's the only woman who ever meant something to me. **And, God, was she sexy back in the day. I can still feel her wrapped around me.**

– MADDIE –

It feels like everyone left me behind. All my old friends have families and impressive careers. I've seen Liam's games on TV since he went pro. Of course, he's as scorching hot as ever. ***I just can't get him out of my skin.***

I'm still working my high school gig at the local greasy spoon, plus another job to support my daughter. Don't get me wrong. Bridget is my world. But I wish I had a strong man to share my life with. I don't know if I can do it alone anymore, ***or keep the secret I've been hiding for FOUR YEARS...***

AUTHOR'S NOTE: This book also includes **8 BONUS STORIES**. All stories are HEA stand-alone, so no cliff-hangers!
