## Static L. A. Witt

(Gay / Transgender / Contemporary / Fantasy / Shapeshifter) Damon Bryce is worried sick when he doesn't hear from his girlfriend after she visits her estranged parents, but when he checks up on her, he's in for the shock of his life--she's a shifter, part of a small percentage of the population who can shift genders at will. Thanks to her parents, though, she's been forcibly given an implant that leaves her static--unable to shift--and male. Alex Nichols desperately wants the implant removed, but getting it out isn't nearly as easy as putting it in. The surgery is expensive and dangerous. Left in, the implant carries its own set of risks, with the potential to cripple or even kill him. On top of that, he's carefully kept his identity a secret from more people in his life than just Damon, and his parents aren't the only ones appalled by shifters. Stripped of half his identity and facing serious physical effects and social ramifications, Alex needs Damon more than ever, but he doesn't see how their relationship can get through this unscathed. Especially if Alex is a static male permanently...

**From reader reviews:**

**Raquel Black:**

In this 21st hundred years, people become competitive in every single way. By being competitive today, people have do something to make all of them survives, being in the middle of typically the crowded place and notice through surrounding. One thing that oftentimes many people have underestimated the item for a while is reading. Yeah, by reading a book your ability to survive raise then having chance to stand than other is high. In your case who want to start reading a book, we give you that Static book as nice and daily reading book. Why, because this book is more than just a book.

**William Bottoms:**

As people who live in often the modest era should be revise about what going on or information even knowledge to make all of them keep up with the era and that is always change and move forward. Some of you maybe may update themselves by looking at books. It is a good choice for yourself but the problems coming to an individual is you don't know which one you should start with. This Static is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and want in this era.

**Megan Kelly:**

Reading a reserve can be one of a lot of action that everyone in the world enjoys. Do you like reading book consequently. There are a lot of reasons why people love it. First reading a publication will give you a lot of new information. When you read a reserve you will get new information mainly because book is one of various ways to share the information or maybe their idea. Second, reading a book will make a person more imaginative. When you examining a book especially tale fantasy book the author will bring one to imagine the story how the people do it anything. Third, it is possible to share your knowledge to other individuals. When you read this Static, it is possible to tells your family, friends and also soon about yours reserve. Your knowledge can inspire the others, make them reading a guide.

**Marjorie Calhoun:**

Playing with family within a park, coming to see the water world or hanging out with close friends is thing that usually you might have done when you have spare time, subsequently why you don't try issue that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Static, you are able to enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang type is it? Oh can happen its mind hangout fellas. What? Still don't get it, oh come on its referred to as reading friends.
