Water Soluble Pencils (Step-by-Step Leisure Arts) Carole Massey

Water-soluble coloured pencils and water-soluble graphite are excellent mediums for both the beginner and the experienced artist. They are user-friendly, clean, relatively inexpensive and easy to use. The coloured pencil or crayon is usually a child's first drawing tool, so when you begin to use water-soluble pencils, they already feel familiar. Add water, and you can turn your drawing into a 'watercolour' painting almost as if by magic. For the more experienced artist, water-soluble pencils are excellent for use outside - light and easily portable, they are the perfect medium for the traveller. Carole Massey demonstrates a range of techniques for drawing and painting' with this versatile medium. Water-soluble pencils has sections on understanding colour, composition, using photographs and creating texture. In addition, a series of step-by-step projects give the reader plenty to practise and a number of Carole's graphite and coloured drawings are included for further inspiration.
