## Beethoven - 3 Marches, Opus 45: Piano, Four Hands (Music Minus One (Numbered))

(Music Minus One). These three marches are not very well known but are absolutely wonderful pieces. They are all extremely unusual and show Beethoven's brilliance in the duet format (of which he wrote very little music). Beethoven fans, you will not be disappointed! Great fun to learn and to play. Includes complete printed music score with both primo and secondo piano parts, and a compact disc featuring the duets in two formats: split-channel stereo with secondo part on the left channel, primo on the right, so you can play either part; and then again with just the secondo part in stereo so you can perform the primo part alongside. Performed by Sondra Bianca, piano Accompaniment: Harriet Wingreen, piano
