Christ Before Creation: Introducing Christ and the Unseen Realm Gene Edwards

Come, take my hand. Together let us go into God...into the very center of God Himself.

Gene Edwards thus takes you on a journey into God, there to explore the invisibles.

You will discover that the center of God is Christ...at a time before Christ created. Be there with Him before He created. You will discover there is much which Christ did before He created. Watch as He passes farther into the eternals. Here is Christ before angels, Christ even before nothingness, and Christ the One who is all. There has never been anything similar to this journey through the supernatural. Here is a book without parallel.

What is it like to become familiar with seeing the unseen, to live in, to think in and to comprehend another realm, with no up, no down, no space, no time...a place before time, mass or dimension? Meet a transcended Lord outside the space-time continuum, a Lord free of the fetters of creation.

Journey with your Lord who lives in the eternal now.

No subject has been more neglected (and needed) than that of understanding - and touching - the invisibles.
