*"The first rule of F*ck Club...we don't talk about it. We just do the job and get paid."*

And Riley Steele did his job very well. He'll be the first to admit that his current life isn't the one he'd foreseen. It's not even one he really wants, but after his parents died and he was left to care for two siblings and a mountain of debt, he was willing to do almost anything.

Now, after almost ten years of being paid to pleasure, he's almost numb to it...and to women.

That all changes with one phone call. Brianna Sharpe, the girl he'd loved as a boy, is leaving an abusive lover and needs someplace to hide.

Opening his home to Bree is easy. Protecting his heart is a different story. She'd completely shattered it once already. But Bree has changed and Riley wants to think there might be a chance. Only...what will she do when she discovers his secrets?
