## **Heart Lessons (The Angel Chronicles) (Volume 2) Mary May**

Since Charlie has turned three and her inner spirit eye has closed, Gideon has been trying hard to adjust to not being in the center of her world. Luckily enough there is plenty going on around the estate to keep him occupied. First there is a new family member that apparently can "sense" him. (where do these people keep coming from?) Then there is the ever mysterious Devon Lane who shows up flashes his dimpled smile at Sabrina (which makes every feather Gideon has bristle!) and then he is gone again! Add to that list the fact that someone or something is drawing the dark side to the estate and to Gideon's family and you can see that it is plenty to keep a warrior/guardian angel very busy!
