The concepts in *Journey of Faith for Teens: Catechumenate* include the RCIA process and rites, salvation history, lessons on each of the sacraments, Church history, dignity of life, social justice, and moral living.

Engaged teens learn better, which is why we've combined collaborative activities with group discussions and private journaling to appeal to a variety of learners in a way that's flexible enough for you to modify to your unique needs.

The comprehensive *Leader Guide* gives you everything you need to walk into your RCIA class and start leading--whether you're a veteran RCIA instructor or a first-time volunteer. Additional discussion points prepare you for their responses and keep the conversation going. The contemporary wraparound design enables you to see what your participants see so you can spend more time teaching and growing in faith alongside your group.
