Light and Peace: Instructions for Devout Souls to Dispel Their Doubts and Allay Their Fears (Classic Reprint) R. P. Quadrupani

Instructions for Pious Souls, now published in English under the title Light and Peace, were written in 1795 by the illustrious and saintly Barnabite, Padre Quadrupani. They contain a summary of spiritual guidance for earnest Christians in the ordinary duties of life in the world. The author had formed his own spirituality on the model presented by the life and teaching of St. Francis de Sales, and in this little book he reflects the wisdom, prudence and sweetness of that gentleman Saint. The work has passed through uncounted editions in its original Italian, and through a large number of editions in both the French and the German translations. An English translation was published many years ago, but besides its present rarity, its many imperfections warrant the belief that a new rendition will not be unwelcome.
