My Delicate Destruction: the Wolfegang series (Volume 1) Jillian Ashe They Promised her Hope...

My name is Katerina Anderson. In 2017, a drug - Hope - was created. Administered during suspended animation it was supposed to cure the cancer my twin brother and I had. Then an earthquake leveled L.A.

Forgotten, we slept.

When I woke up I realized everything had changed. My brother was missing. Everyone else I knew was dead.

I booked passage on a ship to find Kris. The government thinks I'm a criminal and Hope did more than cure my cancer. My brother is the only one who might have the answers I need, but that drug and all its false hope set me on a path I'm not sure I can follow. Will I find my twin and learn exactly what they did to me before it's too late?

My Delicate Destruction now contains Shadows in Darkness.
