The Prince and the Pauper

Marianna Mayer

The Prince and the Pauper Marianna Mayer

Twain's brilliant tale of switched identities is now available to a young audience in this spectacularly illustrated gift book

Young Prince Edward lived a life of luxury with servants to grant his every wish. Tom Canty spent his days begging on the streets, and his nights in a hovel with his tyrannical father. When the two boys meet, a simple switch of clothing sets them on a path they'd never dreamed possible. The prince, mistaken for Tom, is forced to live a pauper's life, while Tom unwillingly takes on the life of a prince. And in the end, each boy finds the king inside himself.

Marianna Mayer has written many original stories, as well as skillfully adapted versions of classic tales. *School Library Journal* hailed her *Pegasus* as "a fine example of the quality of writing that can be achieved in picture-book format." Here she joins painter Gary Lippincott, whose classic illustrations suit Twain's tale perfectly.

Together Mayer and Lippincott have created a treasure that belongs in every home library.
