## **The Story of Venus and Tannhauser** Aubrey Beardsley

This erotic tale is loosely based on the legend of Tannhäuser. Beardsley admired the opera by Richard Wagner, which may have inspired this writing. This book is Beardsley's only attempt to write a novel. This work was first published in several underground editions, and then was published with the title *Under the Hill*. The book's characters are the German hero Tannhäuser, and Venus, the Greek goddess of love. This adult fairytale describes their diverse sexual adventures in vivid detail, as do the illustrations. This book is excellent for anyone interested in historical erotica or British arts.
