- How to improve your basic facilities, from interior lighting to making your own fan
- Simple interior decorating ideas to personalise your onboard space
- Working with soft furnishings to create new bunk cushions and sprung mattresses
- Creating workable storage solutions
- Tackling major woodwork projects, including rebuilding a galley from scratch

Suitable for both motorboats and yachts, this invaluable guide is perfect for any boatowner willing to give it a try themselves. Each project lists equipment and a difficulty rating, and many projects are so simple that the whole family can get involved. With this book to hand, it has never been easier to bring your boat's living space into the 21st century.
