A Trace of Memory (The Defenders) Valerie Hansen
IN SEARCH OF HER PAST

Emma Landers has amnesia. Problem is, she can't remember how she got it, why she's injured or why someone wants to hurt her. When she lands on the doorstep of former love Travis Wright, she can barely remember their past history. But she knows she can trust him to protect her. The handsome farmer was heartbroken when Emma left him for the big city. But there's no way he can send her away when gunshots start flying. Now Travis must keep Emma safe while helping her piece together her memories—before it's too late.

From reader reviews:

Andrew Meadows:

Information is provisions for folks to get better life, information these days can get by anyone in everywhere. The information can be a knowledge or any news even an issue. What people must be consider while those information which is within the former life are challenging to be find than now could be taking seriously which one is suitable to believe or which one typically the resource are convinced. If you find the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All of those possibilities will not happen inside you if you take A Trace of Memory (The Defenders) as the daily resource information.

Matthew Hood:

A lot of people always spent their particular free time to vacation or perhaps go to the outside with them family members or their friend. Do you know? Many a lot of people spent they will free time just watching TV, or playing video games all day long. In order to try to find a new activity here is look different you can read a book. It is really fun in your case. If you enjoy the book that you read you can spent all day long to reading a e-book. The book A Trace of Memory (The Defenders) it doesn't matter what good to read. There are a lot of people who recommended this book. We were holding enjoying reading this book. Should you did not have enough space bringing this book you can buy typically the e-book. You can m0ore simply to read this book through your smart phone. The price is not to cover but this book possesses high quality.

Andrew Leavens:

Are you kind of active person, only have 10 or maybe 15 minute in your day to upgrading your mind talent or thinking skill even analytical thinking? Then you are having problem with the book in comparison with can satisfy your short space of time to read it because this all time you only find book that need more time to be go through. A Trace of Memory (The Defenders) can be your answer because it can be read by anyone who have those short free time problems.

Frank Tye:

Many people spending their moment by playing outside having friends, fun activity along with family or just watching TV all day every day. You can have new activity to pay your whole day by reading through a book. Ugh, do you think reading a book really can hard because you have to bring the book everywhere?
