Vanguards of the Great Sects: Titles among the Damned aren't always primogen and prisci. Somebody has to do the dirty work. From fighting Lupines to hunting rogue Cainites, from enforcing the Traditions to leading a crusade, a few bold vampires step to the head of the charge. Those vampires are the unsung champions of the night. **Archons & Templars includes:** a chance to play high-status characters from both of the prominent sects; new powers and tactics used by the elite guardians of the Kindred; and advice on creating a chronicle exclusively about one sect's champions.
