In FATE you met Vanessa Lewis, a young woman from a strong, black Southern family. She was destined to fall in love with Scott, a man so different from, yet so perfect for her.

CHANCES continues this family's story with Vanessa's strong no nonsense older sister Monica. After losing the man of her life to a senseless car crash Monica Jones is determined to live the rest of her life bestowing her love and attention on her three children. She had no idea the annoying, inconsiderate neighbor she had never met would turn out to be her brother-in-law Scott's college buddy, her dad's good luck charm and a brand new honorary member of the family. Everybody loved Devin. She was even beginning to feel something for him herself.

MISCONCEPTIONS is the third book in Pamela's LOVE FOUND series. The fourth book in the series, IRONIC is due to be released in May 2006. Other titles by Pamela include ILLUSIONS released in October 2001 and ICIE released in 2002.
