Code Triage (Mercy Hospital, Bk 3) Candace Calvert

Dr. Leigh Stathos likes her ER shifts fast, furious, and adrenaline-infused? “Treat ‘em and street ‘em” with no emotional complications. Life’s taught her a soul-rending lesson: nothing lasts forever, including marriage. And the clock is ticking toward the end of hers. Then an unwelcome confrontation with “the other woman” begins a whole new set of lessons.

San Francisco police officer Nick Stathos never gives up, whether protecting his patrol neighborhood, holding fast to faith? or trying to save his marriage. Seven days is all he has to reach Leigh’s heart. But when a desperate act of violence slams Golden Gate Mercy Hospital into lockdown, it starts a chain of events that will change lives forever.

From reader reviews:

Betty Lavery:

In this 21st century, people become competitive in every way. By being competitive at this point, people have to do something to make themselves survive, being in the middle of the particular crowded place and notice by means of surrounding. One thing that sometimes many people have underestimated that for a while is reading. Yeah, by reading a publication your ability to survive improves then having a chance to stand that other is high. For you who want to start reading the book, we give you this Code Triage (Mercy Hospital, Bk 3) book as nice and daily reading e-book. Why, because this book is usually more than just a book.

Carmen Flood:

Reading a review tends to be a new life style in this particular era of globalization. With studying you can get a lot of information that will give you benefit in your life. With books everyone in this world can certainly share their ideas. Guides can also inspire a lot of people. Plenty of authors can inspire all their readers with their stories as well as their experiences. Not only the stories that are shared in the guides, but also they write about advantages about something that you need an illustration. How to get a good score on TOEFL, or how to teach children, there are many kinds of books that you can get now. The authors in this world always try to improve their expertise in writing, they also do some research before they write the book. One of them is this Code Triage (Mercy Hospital, Bk 3).

Julie Nealy:

Reading a book to get a new life style in 12 months; every person loves to learn a book. When you learn a book you can get a lot of benefit. When you read guides, you can improve your knowledge, simply because a book has a lot of information on it. The information that you will get depends on what sort of book that you have read. If you wish to get information about your study, you can read education books, but if you want to entertain yourself you can read fiction books, this sort of us novel, comics, and soon. The Code Triage (Mercy Hospital, Bk 3) provides you with a new experience in reading a book.

Mark Gallegos:

Is it you actually who have spare time subsequently spend it whole day by means of watching television programs or just lying on the bed? Do you need something totally new? This Code Triage (Mercy Hospital, Bk 3) can be the answer, oh how comes? It's a book you know. You are therefore out of date, spending your spare time by reading in this new era is common not a geek activity. So what do these books have that the others?
