Rembrandt Etchings - Looking at Rembrandt's Prints

In his day, Rembrandt was better known as an etcher than a painter. Looking at his prints requires a little time and patience from the viewer, but the rewards are well worth the effort.

Rembrandt moved expertly between genres, demonstrating his ingenuity, insight into human emotion and mastery of the medium in every image. The compositions are beautifully balanced despite a wealth of narrative detail. Every line has a purpose - nothing is accidental or left to chance.

'Rembrandt Etchings' will guide you on your visual journey of discovery, and allow you to see why Rembrandt was the greatest of all seventeenth century printmakers.

Because the book is all about looking and enjoying, 'Rembrandt Etchings - Looking at Rembrandt's Prints' is lavishly illustrated.
