She's A Keeper!: Confessions From A Southern Girl's Closet (Volume 1) Lee St. John

Lee St. John is a mess. She tries to behave like the Southern Belle she was brought up to be, but her playful high jinxes just get in the way. She can't help it. Bless her heart. As an only child she learned how to entertain herself and with self-deprecating humor; she just lets it rip. No filter. But she does have a soft spot for memories of her generation, her parents' generation, and her children's generation and these vintage but entertaining vignettes will either melt your heart or leave you LOL - Lee Out Loud!
