Little did Samantha Edgerton know when she spent the summer with her great grandmother and fell in love with Benjamin Hoffman, her grandmother's farmhand, that a year later she'd be married to him, leaving her English life behind forever, and become fully immersed in the 'plain' and 'simple' life of being a Mennonite farmer's wife. She had read stories growing up about the Amish and Mennonite people and looked forward to living their quiet, idyllic existence. But now after being married for six years with a growing family and in debt following some catastrophic events in her life, she had learned to rely on God and her close knit family to see her through. This is the first book in a new series: Women of God: Lancaster County. The series will follow Samantha Hoffman and her friends and their families.
