The Proving Ground : The Inside Story of the 1998 Sydney to Hobart Race G. Bruce Knecht

On December 26, 1998, 115 sailboats set out on the annual race from Sydney to Hobart; only 43 would make it to the Tasmanian city, and six sailors would be dead, the race having turned in the worst modern sailing disaster since the 1979 Fastnet Race. Combining the best elements of *The Perfect Storm* and *Barbarians at the Gate*, *The Proving Ground* is a gripping narrative that follows the fates of three yachts, including *Sayonara*, owned by Larry Ellison, the founder of Oracle and the worlds second richest man. From the chilling explanation of how an Olympic sailor came to be catapulted from a yacht and why its crew could do nothing to save him, to the dramatic journey of two leaky life-rafts, *The Proving Ground* is an exhilarating read. Knechts research, which included eight trips to Australia was unprecedented and exhaustive, involving extensive discussions with both Larry Ellison and Lachlan Murdoch and every survivor with two other yachts. *The Proving Ground* is destined to be a sporting disaster classic like *Into Thin Air* and *Fastnet Force 10*.
