The Terminal Generation: A Revolutionary Revelation Gary King

This book is a fresh look at the subject of eschatology, which is the study of end-time prophetic events. It is not locked into the traditional thinking and teachings espoused in the last two hundred years. The views expressed in this book are the result of a comparison of what Jesus taught on this subject through the Old Testament prophets, what Jesus taught on this important subject while He was on the earth, and what Jesus taught from heaven to His apostles after His ascension. The basic premise embraced while comparing these is that what Jesus taught in the Old Testament, or what He taught while on the earth, or what He taught after His ascension, would never contradict one another. What Jesus taught on earth was spoken in plain earthly language whereas much of the other teachings were generally spoken in parabolic language (in heavenly/figurative language). In interpreting parabolic language, there can be numerous possibilities as to God's intended meaning. However, many of these possibilities can be eliminated by comparing them with what Jesus taught plainly during His earthly ministry. Any interpretation that contradicts what Jesus taught in the Olivet Discourse cannot be the intended meaning of that which He taught in any of the prophetic books of the Bible such as Daniel, Isaiah, Joel, or Revelation. This book is not intended to rehash the popular, traditional teachings of our day on eschatology, but rather to open up the minds of the readers to explore and consider concepts and views that lie outside of the box of the commonly accepted teachings being taught to this present generation. God's Word declares that some of these prophetic things will be sealed or hidden from man until the last days of this age. However, God promises to reveal that which has been hidden to the last day/terminal generation.
