## **Title Shot: Into the Shark Tank of Mixed Martial Arts** Kelly Crigger

In 2007, Army Officer Kelly Crigger embarked on a year-long journey into the shark tank of mixed martial arts competition. His quest was two-fold—to learn what drove fighters to put themselves through years of grueling training and into the cage, and to uncover the mainstream media's reason for focusing on the seedier side of the sport and its athletes. To dig for answers, he lived in five of the top MMA training camps in the United States, hung out at the toughest tournaments the sport had to offer, and spent time with the biggest names in the sport, including UFC President Dana White. *Title Shot* divulges the truths and personal stories he unearthed. Laced with sarcasm, humor and a touch of daredevil bravado, Crigger sheds a never-before-seen light on a misunderstood sport and its combatants. Whether you're a hardcore MMA junkie or a casual fan, *Title Shot* will have you hanging on the edge of your seat.

It makes you more readily to read this book, because you can read this book in your Cell phone. So there is no reason for your requirements to past this reserve from your list.

**Billy Golden:**

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Title Shot: Into the Shark Tank of Mixed Martial Arts can make you really feel more interested to read.
