Learn about what makes your body work. The more you know, the more you'll understand just how amazing you really are! With this 6-vol. set you will find answers to the following questions:

- Do you know what makes some eyes brown and some eyes blue?
- Do you know why the smell of onions can make you cry?
- Do you know why your body shivers when it is cold?

These are just a few of the fascinating topics you will find in *BodyWorks*. Your body is an incredible "human machine." Every day it performs hundreds of thousands of functions. Breathing. Smelling. Touching. Thinking. And most of the time, your body does all of these things without you even thinking about them. Included in this set is a glossary and an index.
