This book not only publicizes Jewish texts that are indisputably authoritative, but also enables people who do not have the skills or resources to access this experience on their own to directly encounter kabbalistic source material. Its luminous wisdom is sure to inspire a respect and affection for the Torah and its traditions. In Kabbalistic Writings on the Nature of Masculine and Feminine, the texts speak for themselves. Their authoritative voices are the soul and might of this work. As proof texts they verify statements made in their name, and as holy texts they transform all who take them to heart.
