Was The Virgin Mary really the naive woman established religions have depicted? No. Mary was an Essene, a high level initiate, a healer, and an authentic Master. What do we truly know of the one whom history calls the mother of God? Thanks to his capacity to penetrate the soul of a being, the author raises a corner of the veil, and blows away the dust of all the false beliefs that we have been inculcated about her. With him we plunge into the richness and beauty of her inner life and we discover a fascinating world of sensitivity, joy, and ecstasy. This remarkable woman is a genuine jewel capable of enriching our lives.
