This pack brings together two essential guides to the clinical specialties, covering all the core topics for a value-for-money price.

Now in its 25th year, the *Oxford Handbook of Clinical Specialties* has been revised and updated by a trusted author team to bring you practical, up-to-date clinical advice and a unique outlook on the practice of medicine. This edition features a new and improved referencing system guided by a team of junior doctors, ensuring that the text is packed with valuable references to the most salient data and guidelines across the specialties. Each chapter has been updated on the advice of a team of specialists, to bring you everything you need for any eventuality on the ward or in the field.

Cross-referenced to its companion volume, the *Oxford Handbook of Clinical Medicine*, the *Oxford Handbook of Clinical Specialties* offers a unique perspective on the practice of medicine. It is a trustworthy companion for anyone with the spirit of self-improvement and a passion for their practice.

In addition, this pack includes the second edition of *Oxford Assess and Progress: Clinical Specialties*. Mapped and cross-referenced to the *Oxford Handbook of Clinical Specialties*, this compact revision guide contains over 350 MCQs and SBAs to get you through your exams. Each question is ranked by difficulty to help you track your progress, while detailed feedback and pointers to further reading help you to deepen your understanding. Ace your finals with *Oxford Assess and Progress*.
