## **Solution-Focused Counseling in Schools** John J. Murphy

The third edition of this widely adopted text covers the philosophical foundations and nuts-and-bolts of using solution-focused counseling to help preschool–12 students resolve problems. Dr. Murphy’s practical and respectful approach has been successfully applied throughout the world by school counselors, counselors-in-training, psychologists, social workers, teachers, administrators, and clinicians who work with young clients. His empowering techniques help students focus on doing what works as simply and efficiently as possible by using their strengths, resources, wisdom, and feedback.

This edition includes new chapters and information on the restrictive influence of problems, strategies for building positive relationships, collecting client feedback to monitor and improve services, and coconstructing solvable problems and reachable goals. Real-life case examples, sample dialog from counseling sessions, discussion and practice exercises, troubleshooting tips, and new and expanded appendixes enhance the book’s classroom and clinical utility. *A complimentary test manual and PowerPoint slides for instructors’ use are available by written request to ACA.*
