You know there are "good" secrets and "bad" secrets. You've kept yours for far too long. Your life is consumed with shame, guilt and fear. You keep people at arm's length, never allowing anyone to get too close, afraid they'll find out you've been sexually abused. Is there any hope for breaking free?

Author Nancy Alcorn says, yes, you can find hope and freedom if you apply the principles in this book. Nancy combines deep compassion with practical knowledge, insight and guidance from God's Word. The lives of thousands of young women who have experienced the life-changing program of Mercy Ministries, which Nancy founded, are proof that these principles work.

Violated will help you reach beyond your pain so you can expose the truth about your past, find healing and through God's Word, understand your true value in Christ. You can move beyond simply surviving your circumstances to experiencing the incredible life God has for you. Read the stories of girls just like you, who once had no hope but now live with joy and freedom. A chapter full of guidance and encouragement for parents and others who care is also included.
