Yes, We Treat Aardvarks - Stories from an Extraordinary Veterinary Practice Robert M. Miller
He's operated on whales, administered antibiotics to a group of performing lions, barely escaped alive after treating unpredictable chimps, cared for every imaginable household pet - and most of all, enjoyed every minute of it. Well-known veterinarian, cartoonist, writer, and one of the world's leading authorities on horse behavior - Dr. Robert M. Miller shares his memoirs of a life filled with all the joys and tragic moments that caring for, and loving, animals brings. Now the vet known for his hilarious cartoons brings the same delicious humor and warm compassion to a distinctly American book in the Herriot tradition: a story that will touch your heart, and remind you of why our bond with animals is so special."
