*Crisis and Reform* is a groundbreaking study that traces the Church history that led to the Union of Brest (1596), in which a majority of Ruthenian eparchies accepted the primacy of the Pope in Rome while retaining their Slavonic-Byzantine rite. Dr. Gudziak concentrates specifically on the significance of the Kievan metropolitanate and its struggle both with the Moscow metropolitanate and with the encroachment of Polish Roman-Catholicism and Protestantism on Ruthenian spiritual life. He also shows how these tensions, coupled with the aftermath of the visit to Muscovy (1588-1589) of Patriarch Jeremiah of Constantinople, led to the decision of the Ruthenian hierarchy to move toward union with Rome.

*Crisis and Reform* provides an excellent overview of the ecclesiastical structures in Eastern Slavic lands from their Christianization to the late sixteenth century. The book also contains maps and reproductions of sixteenth- and seventeenth-century illustrations of leading Church figures, polemicists, and sites important to the Union.
