History and Utopia

E M Cioran

History and Utopia E M Cioran

In this book, Cioran writes of politics, of history, and of the utopian dream.

"A small masterwork . . . a stringent examination of some persistent and murky notions in human history. . . . It is best to read Cioran while sitting. The impact upon the intellect can be temporarily stunning, and motor systems may give way under the assault."--Joseph Patrick Kennedy, *Houston Chronicle*

"Cioran has a claim to be regarded as among the handful of original minds . . . writing today."--*New York Times*

"A sort of final philosopher of the Western world. [Cioran's] statements have the compression of poetry and the audacity of cosmic clowning."--*Washington Post*

E. M. Cioran (1911-1995) was born and educated in Romania and lived in Paris from 1937 until his death. He is the author of numerous works, including *On the Heights of Despair*, also available from the University of Chicago Press.
