## **Patience With God: Faith for People Who Don't Like Religion (or Atheism) Frank Schaeffer**

Frank Schaeffer has a problem with the New Atheists. He also has a problem with the religious fundamentalists. The problem is that he doesn't see much of a difference between the two camps. Sparing no one and nothing, including himself and his fiery evangelical past, and invoking subtleties too easily ignored by the pontificators, Schaeffer adds much-needed nuance to the existing religious conversation as he challenges atheists and fundamentalists alike.
