Sea of Deception (Undercover Romance Book 1) Janie Marie Hall

Unsettled by her husband's death, Josie's heart is locked up tight. Her days are stagnant until she receives a summons from her late husband's friend with the intent to enlist her help. He proposes that she accompany a CIA officer on an assignment to Mexico, posing as his wife to provide credibility to his cover.

Though intrigued by the prospect, Josie is reluctant to step outside her comfort zone, so is surprised when she finds herself agreeing to accept.

While fearful the officer will regard her amateur status a hindrance, Josie is determined to make it work and puts her all into the role she is playing.

Assured that this undertaking would pose minimal if any risk for her, no sooner do they settle in then they are plagued at every turn by a series of events both perilous and baffling that threaten the successful completion of the mission.

As the stakes continue to mount, Josie battles to make it out alive, only to discover the harrowing truth that she is losing her heart to a man she will likely never see again.
