Silent Hill: The Terror Engine (Landmark Video Games) Bernard Perron

Silent Hill: The Terror Engine, the second of the two inaugural studies in the Landmark Video Games series from series editors Mark J. P. Wolf and Bernard Perron, is both a close analysis of the first three *Silent Hill* games and a general look at the whole series. *Silent Hill*, with its first title released in 1999, is one of the most influential of the horror video game series. Perron situates the games within the survival horror genre, both by looking at the history of the genre and by comparing *Silent Hill* with such important forerunners as *Alone in the Dark* and *Resident Evil*. Taking a transmedia approach and underlining the designer's cinematic and literary influences, he uses the narrative structure; the techniques of imagery, sound, and music employed; the game mechanics; and the fiction, artifact, and gameplay emotions elicited by the games to explore the specific fears survival horror games are designed to provoke and how the experience as a whole has made the *Silent Hill* series one of the major landmarks of video game history.

From reader reviews:

Katie Phillips:

What do you consider book? It is just for students as they are still students or that for all people in the world, exactly what the best subject for that? Only you can be answered for that concern above. Every person has diverse personality and hobby for every single other. Don't to be forced someone or something that they don't wish do that. You must know how great and important the book Silent Hill: The Terror Engine (Landmark Video Games). All type of book could you see on many resources. You can look for the internet solutions or other social media.

Arturo McDaniel:

Now a day people who Living in the era just where everything reachable by connect to the internet and the resources in it can be true or not call for people to be aware of each data they get. How a lot more to be smart in getting any information nowadays? Of course the correct answer is reading a book. Reading through a book can help people out of this uncertainty Information particularly this Silent Hill: The Terror Engine (Landmark Video Games) book as this book offers you rich info and knowledge. Of course the knowledge in this book hundred pct guarantees there is no doubt in it you know.

Viola Waters:

You may spend your free time to study this book this publication. This Silent Hill: The Terror Engine (Landmark Video Games) is simple to create you can read it in the area, in the beach, train and soon. If you did not have got much space to bring the printed book, you can buy the particular e-book. It is make you simpler to read it. You can save the book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

Mary Scruggs:

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some guide, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Silent Hill: The Terror Engine (Landmark Video Games) can make you experience more interested to read.
