Wild-child Drake and goody-goody Josh are as different as two kids can be - the only things they share are their families and their room!

Drake and Josh have signed up for a salsa-making competition. They're determined to win--the flat screen TV that's first prize. But their competition is Megan and she's not about to lose to her older brothers!

Then the two boys have a ridiculous bet that has Drake giving up his beloved junk food and Josh giving up his video games. The stakes are high. Whoever loses has to dye his hair pink! And once again Megan is more than willing to "help" the boys ensure that fair play is the rule.
