The Lion

Nelson DeMille

The Lion Nelson DeMille

In this eagerly awaited follow-up to *The Lion's Game*, John Corey, former NYPD Homicide detective and special agent for the Anti-Terrorist Task Force, is back. And, unfortunately for Corey, so is Asad Khalil, the notorious Libyan terrorist otherwise known as "The Lion." Last we heard from him, Khali had claimed to be defecting to the US only to unleash the most horrific reign of terrorism ever to occur on American soil. While Corey and his partner, FBI agent Kate Mayfield, chased him across the country, Khalil methodically eliminated his victims one by one and then disappeared without a trace.

Now, years later, Khalil has returned to America to make good on his threats and take care of unfinished business. "The Lion" is a killing machine once again loose in America with a mission of revenge, and John Corey will stop at nothing to achieve his own goal -- to find and kill Khahil.

From reader reviews:

Darrell Fowler:

Information is provisions for anyone to get better life, information currently can get by anyone from everywhere. The information can be a knowledge or any news even a huge concern. What people must be consider whenever those information which is from the former life are challenging to be find than now could be taking seriously which one is suitable to believe or which one the actual resource are convinced. If you get the unstable resource then you buy it as your main information there will be huge disadvantage for you. All those possibilities will not happen within you if you take The Lion as the daily resource information.

Paul Holt:

The reason? Because this The Lion is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will shock you with the secret that inside. Reading this book alongside it was fantastic author who all write the book in such incredible way makes the content inside of easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of gains than the other book possess such as help improving your proficiency and your critical thinking technique. So , still want to hesitate having that book? If I were you I will go to the publication store hurriedly.

Jonas Jones:

Playing with family inside a park, coming to see the sea world or hanging out with pals is thing that usually you will have done when you have spare time, then why you don't try thing that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love The Lion, it is possible to enjoy both. It is fine combination right, you still need to miss it? What kind of hangout type is it? Oh occur its mind hangout people. What? Still don't obtain it, oh come on its identified as reading friends.

Margaret Hall:

What is your hobby? Have you heard this question when you got college students? We believe that that question was given by teacher for their students. Many kinds of hobby, Every individual has different hobby. So you know that little person similar to reading or as examining become their hobby. You have to know that reading is very important along with book as to be the issue. Book is important thing to increase you knowledge, except your current teacher or lecturer. You will find good news or update regarding something by book. Amount types of books that can you choose to use be your object. One of them is this The Lion.
