There's no woman I can't conquer.

Hundreds of eager women are in the shared black ledger the football players of the Jupiter Suns call The Playbook. But there's only one that I want. The one marked unf*ckable.

Women fall to my feet as soon as I turn on the Jacob Maddox charm, and yet my new teammates don't think I can get one woman into my bed? Pfft, they don't know who they are dealing with.

The Playbook says she's unconquerable, unobtainable, and off limits, but I've never shied away from a challenge before, and I'm not going to start now. One look will be all it takes for her to open up her legs. Lucia will be mine for a night, then forgotten about for the rest of the season. I'll collect my winnings and concentrate on what really matters: getting my number one spot back!

But as soon as I get one addictive taste of Lucia Cortes the plan goes to shit... she's a game changer. The play is busted and I'm scrambling to keep it together.

I can't sleep, I can't eat... f*ck, I can barely breathe without her. She's slipping through my fingers and it only gets worse when I find out who she really is!

I don't have a chance in hell of keeping her, but I'll risk everything to make her mine.
