## WRITING A WAY TO PRAY ARNOLD B. CHEYNEY

This review is from: Writing: A Way to Pray (Paperback) I loved this book - for its content, simplicity and hands on application. If you are frustrated with your prayer life or desire to take it to a new dimension this is a "must read". Page by page, the experienced or novice writer is guided from one example to another of new and refreshing ways to approach the prayer closet and communicate with God through scripture. You are left with the experience of the author's own daily "pray wriing" time as well as an abundance of writing examples from which to choose your own approach. Be assured the focus of this book is not on improving written skills but rather to encourage you to put pen to paper in an attitude of prayer.
