Doodles Lanhorn and the Quest to Save Inner Earth Russell D. Bernstein

Doodles Lanhorn is a red-headed boy of thirteen who doesn't feel very popular or successful but he does have a special talent: he has recently discovered the powers of Wizardry, the art of drawing something and making it come to life. Doodles comes to learn that he is unique in that he does not require a paintbrush like most Wizards; he can draw with just the use of his hands. In this new novel, Doodles must deal with old enemies, rescue his family, and ultimately save Inner Earth, the sacred land of the Wizards. With the help of his friends Laura, Darren, and Boogley, a very unique and special creature, Doodles is able to overcome his fears so he can face all these obstacles, head on.
