ABC Animals!: A Scanimation Picture Book (Scanimation Picture Books) Rufus Butler Seder

*****A 2016 National Parenting Product Awards (NAPPA) winner**

The timeless appeal of alphabet books meets the richest Scanimation book ever. *ABC Animals* is a romping, stomping journey from A to Z, and all the animals come alive—as many as four to a page—in the excitement of Scanimation. It’s the alphabet as it’s never been seen before: Watch the **A**lligator snap, the **B**ats swooping, the **C**amel trot. There’s **L** for the **L**ion proudly prowling along, and **M** for the **M**ouse scurrying inside his wheel. And it all culminates in the largest Scanimation image yet: **Z**, for **Z**oo, where all the animals gather to play.
