While keeping physically fit and achieving expert law enforcement skills are essential to a successful police officer, maintaining a strong heart, mind, and soul are also crucial to surviving in his or her career. This new edition of this singular book serves as a tool to help law enforcement officers consciously take the pulse of their soul, ensuring that they stay on a strong spiritual and moral path. The book is not just a collection of devotions with religious meaning, but rather it clearly identifies some of the most trying situations that officers often find themselves in and helps them make sense of it all. The author then links these situations with relevant biblical passages. Each devotion in the book is freestanding and can be used in any order. The devotions and corresponding situations are presented in five categories: Justice, Dealing with People, Crime and Police Situations, Prevention, and Self-Care. Each of the 69 devotion sections concludes with questions for reflection and a meaningful prayer. The revision of the text includes 15 percent more devotions, and the Appendix of Prayers for Law Enforcement Situations has been increased from two to 22 prayers. These address a wide variety of ceremonial functions, including cadet graduations, retirements, blessings for substations, and award banquets. Also new is a guide for offering prayers for Fire Department events. This unique book is designed not only for the individual police officer, but firefighters, law enforcement supervisors, community service officers, chaplains, and ministers as well.
