The five bestselling handbooks of Thich Nhat Hanh's Mindfulness Essentials Series, *How to Sit*, *How to Eat*, *How to Walk*, *How to Love*, and *How to Relax*, are collected together for the first time in a beautifully designed gift box. The box contains all five titles in their original trade paperback editions, each printed with a different highlight color.

The Mindfulness Essentials Series by Zen Master Thich Nhat Hanh will introduce beginners and remind seasoned practitioners of the essentials of mindfulness practice. The five books are pocket-sized with bold drawings by California artist Jason DeAntonis, each in a different highlight color. When the spines are lined up in this handsome gift box, the presentation is striking. The books provide explicit, simple directions for carrying out everyday activities with the focused awareness of mindful attention.

Every title in the series has appeared on each of the regional independent bestseller lists, and individual titles have appeared on *The New York Times* extended list, the NPR bestseller list, and others. The popular blog Brain Pickings has featured *How to Love* on its landing page for months, among Maria Popova's "favorite reads." She writes, "In accordance with the general praxis of Buddhist teachings, Nhat Hanh delivers distilled infusions of clarity, using elementary language and metaphor to address the most elemental concerns of the soul."
