Listen up! Christopher Ash

Why on earth does anyone need a guide on how to listen to sermons? Don't we simply need to 'be there' and stay awake? Yet Jesus said: 'Consider carefully how you listen.' The fact is, much more is involved in truly listening to Bible teaching than just sitting and staring at the preacher.

Christopher Ash outlines seven ingredients for healthy listening. He then deals with how to respond to bad sermons - ones that are dull, or inadequate, or heretical. And finally, he challenges us with ideas for helping and encouraging our Bible teachers to give sermons that will really help us to grow as Christians.

Where does the authority of a Bible teacher come from?

Why is Bible teaching offensive?

Why is it important to hear Bible teaching in church?

How can we actually enjoy Bible teaching more?

These (and more) are the questions answered by this practical guide, which includes effective, hands-on suggestions for implementing each idea. All with the aim of helping us learn how to listen properly, so that through His word, God will make us more and more Christ like.

From reader reviews:

James Goodman:

What do you consider book? It is just for students since they are still students or the item for all people in the world, what the best subject for that? Simply you can be answered for that question above. Every person has different personality and hobby for each and every other. Don't to be obligated someone or something that they don't would like do that. You must know how great along with important the book Listen up!. All type of book is it possible to see on many methods. You can look for the internet resources or other social media.

Michele Stein:

Why? Because this Listen up! is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will surprise you with the secret the item inside. Reading this book alongside it was fantastic author who else write the book in such incredible way makes the content inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of rewards than the other book have such as help improving your talent and your critical thinking approach. So , still want to postpone having that book? If I were being you I will go to the book store hurriedly.

Sarah Frigo:

Is it anyone who having spare time in that case spend it whole day simply by watching television programs or just laying on the bed? Do you need something new? This Listen up! can be the respond to, oh how comes? A book you know. You are therefore out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these publications have than the others?

Danilo Ernest:

A lot of guide has printed but it takes a different approach. You can get it by world wide web on social media. You can choose the best book for you, science, amusing, novel, or whatever through searching from it. It is called of book Listen up!. You can contribute your knowledge by it. Without departing the printed book, it may add your knowledge and make a person happier to read. It is most important that, you must aware about guide. It can bring you from one location to other place.
