Ninety-Three, Vol. 1 of 2 (Classic Reprint) Victor Hugo

Excerpt from Ninety-Three, Vol. 1 of 2

The forest of La Saudraie was tragic. It was in its copses that, from the month of November, 1792, civil war commenced its crimes. Mousqueton, the ferocious cripple, came out of its fatal shades. The list of the murders that had been committed there was enough to make one's hair stand on end. There was no place more to be dreaded. The soldiers moved cautiously forward. The depths were full of bowers; on each side was a trembling wall of branches and dew-wet leaves. Here and there rays of sunlight pierced the green shadows. The gladiola, that dame of the marshes, the meadow narcissus, the little wood daisy, harbinger of spring, and the vernal crocus, embroidered the thick carpet of vegetation, crowded with every form of moss, from that resembling velvet (chenille) to that which looks like a star. The soldiers advanced in Silence, step by step, pushing the brushwood softly aside. The birds twittered above the bayonets.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works."
